

2016

Financial Services Manager

ENROLLMENT

Actively employed by a Lexus dealership and listed on the National Staff Master with one of the following primary job titles: **Financial Services Manager**

CERTIFICATION INSTRUCTIONS

Select your courses to become certified at the Senior or Master Level from the **Financial Services Manager Approved Course List**

AT LEXUS, OUR COMMITMENT TO PERFECTION IS MADE EVIDENT through our dedication to delivering a level of service that makes owning a Lexus as rewarding as driving one.

Lexus College has developed an extraordinary program, the Lexus Commitment to Perfection (LCTP) Certification Program, that ensures that Lexus associates have successfully integrated the necessary knowledge and skills to provide Lexus customers with unparalleled customer satisfaction.

As a Lexus dealer associate, you have the opportunity to participate in the LCTP Certification Program. This program was created to provide a path for associate career development and to ensure that associates receive the appropriate training to perform their jobs to Lexus quality standards. The LCTP Certification Program is comprised of courses and eLearning modules offered through Lexus College and defined by job category.

One of the primary benefits of being part of the LCTP Certification Program is its Recognition Programs, which reward attainment of various certification levels. For example, the Lexus Subsidized Master Lease Program provides qualifying associates with a monthly subsidy toward the lease of a new or pre-owned Lexus vehicle through Lexus Financial Services.

Lexus Commitment to Perfection (LCTP)

Program Overview

If you are unable to attend a class, please inform your PC at least four calendar days ahead so your dealership does not incur a no-show charge.

Lexus Master Subsidized Lease Program

Master Certified associates can enroll and receive a monthly subsidy toward the lease of a new or pre-owned Lexus vehicle through Lexus Financial Services (LFS).

Criteria

- Achieve Master Level Certification and annually Master recertify
- Dealer Principal must sign the Associate Subsidized Lease Enrollment form
- Then you must be approved for a program qualified LFS lease of a Lexus vehicle.

NOTE: For more information or to determine if your dealership participates, please contact your dealership PC.

Coming From Toyota

View the Lexus Course Parity report for your primary Lexus job category at www.lctpreports.com to determine if any Toyota course credit is transferable for Lexus certification credit.

Lexus associates who have previously achieved Toyota advanced certification credit may request an adjustment to their Lexus tenure through their Area Office by presenting a copy of their Toyota certificate verifying the prior Toyota certification achievement.

Toyota Expert Level - Add 12 months of Lexus tenure

Toyota Master/MDT Level - Add 24 months of Lexus Tenure

Lexus Commitment to Perfection (LCTP)

Program Overview

How to Use this Booklet

The introduction will briefly describe the Lexus Commitment to Perfection (LCTP) certification program and how to participate.

Let's Get Started

Welcome to the Lexus Commitment to Perfection certification program also known as LCTP.

Your first step to join the LCTP program is to make sure you have been added to Dealer Daily Staffmaster and that your primary job is one that is listed in this book. Staffmaster has primary and secondary jobs; only the primary job is used to enroll associates in LCTP. If your primary job is not one that participates in LCTP then you will not be enrolled in the program. A SPIN ID will be created for you when you are entered into Staffmaster; keep your SPIN ID as it will grant you access to enroll in Lexus College courses; take Self-Paced Modules and log in to view your progress in the LCTP Certification program.

Your best resource regarding the LCTP Certification program is your dealership's Program Consultant (PC) who can assist you in achieving and maintaining your desired certification level.

Certification Program Overview

The Lexus certification program consists of 3 levels which build upon one another.

- Certified is the first level of LCTP certification and is required for all Lexus associates.
- Senior Certification is the next level of LCTP certification; this level is considered advanced certification and is optional.
- Master Certification is the top level of LCTP certification; this level is for top performing Lexus associates who want to be the "Best of the Best" and requires the highest commitment. This level is also optional.

Once you are enrolled you should immediately begin completing the Certified level requirements.

Instructor Led Courses

Log onto www.lctphome.com and select *My Learning* to view the courses that apply to your job and will count for LCTP advanced certification. Please contact your dealership's Program Consultant to enroll in a class, technical training or product launch.

NOTE: Log onto www.lctpreports.com for updated certification rules and approved course listings by job.

Class Attendance

You will not receive credit for a class if you arrive more than 30 minutes late or leave more than 30 minutes early. You must sign the attendance sheet to receive credit.
